Lymphedema Awareness in Ontario

The LAO hosted two booths this year—on June 3rd at the Oncology Day Conference in Mississauga and on October 14th at the BRA (Breast Reconstruction Awareness) Day Conference in Brampton. Thank you to Barbara Foster for donating her time to raise lymphedema awareness at both conferences!

A big thank you to Catherine Burt of Swelling Solutions who headed up Team Kitchener in a Charity Walk to raise \$2155 and to Barbara Foster who headed up Team Barrie with a Bake Sale to raise \$671.85 and a Charity Walk to raise \$1485. And we would also like to give a big thank you to Glen Gagan and his family for being Virtual Team London/Thunder Bay and donating \$1500. Our goal was \$5000.
